## Have you considered private healthcare?

Our specialist Healthcare Partners, WPA, will help you find the right private healthcare cover at the right price.

They are available at a time that's convenient to you – face to face, by email or over the telephone and will happily talk through your choices with you to find the policy that best suits your needs.

Your healthcare policy will include access to JWC's on-site physiotherapist when required.

As an added bonus if you quote JWC when you take out your policy, WPA Healthcare will provide you with £100 JWC credit.

To discuss your options, please contact:
